ALTERNATIVES TO SKYEUROPE FLIGHTS - HOW TO GET TO PRAGUE EASILY

The Slovakian low cost airline - SkyEurope went bankrupt and as no investor was interested in buying them they suspended the operations from the 1st of September. Therefore please allow us to offer You some alternative solutions to their flights by introducing other transfer possibilities:

- The other low cost airline, Smartwings (Czech company) increased the frequency of its flights following the collapse of Skyeurope and is now able to offer many flights from all major European cities to Prague. Similarly Wizz Air, Condor, Click4sky (the CSA low-cost), Germanwings, EasyJet, Flybaboo (Geneva). National airlines such as Air France, KLM, ČSA, Alitalia, Austrian Airlines, Brussels Airlines, ... also offer good price for reservations in advance and it is quite necessary to mention that their schedules are mostly more favorable than the low cost ones. We are happy to inform You that You may reserve the flight tickets online through our website - You can choose the airline and time which You prefer the most!
- Mary's also offers "Student Agency" bus tickets for luxury trips throughout Europe from / to Prague for a very comfortable journey but still low price with air conditioning, films, free newspapers and free hot drinks.
