MARY'S NEWS**SELECT, RESERVE AND PAY: A NEW QUICK RESERVATION WITHIN 5 STEPS**

From now you can **reserve our Mary's apartments ONLINE, within a couple of minutes!!** It means that the price of just the first night will be paid directly online by credit card as deposit. The rest of the amount will be asked upon your arrival, preferably in cash. If Your reservation is for more than 7 nights, this deposit will be 2 nights and for the stay longer than 10 nights, this deposit will be 50% of the final price.

This way of payment is **safer** and **faster** because you pay the deposit directly on the website of one of the biggest Czech banks, the Česka Spořitelna a.s Bank. According to your payment the apartment is reserved automatically for you.

You can see directly on our web pages whether the chosen apartment is available or not. You do not need to wait for our e-mail and for our booking form anymore, you can make everything by yourself, within just a few minutes. Then our agency sends you your voucher by e-mail in pdf format.

For the moment this system works only for our private [Mary's apartments](#) and [Sightseeing Programmes](#), but from the end of July you will have the possibility to reserve and pay online hotels as well.

NEW HOTEL & RESTAURANT OPENINGS IN PRAGUE

It is said that a new hotel brings new impulse to the beating heart of a city. This is 100% true for the new hotel **The Augustine** which was opened in middle May this year. This luxury ***** hotel which can be found on the "Mala Strana" is formed by 7 buildings. The biggest one was the Augustine Monastery in its time (actually in a separate part of the monastery still live several practicing monks). The services of the hotel are of highest level, the design was inspired by Czech Cubism of the thirties and accomplished by the London-based design company RDD. The biggest attraction is definitely its Tower Suite, from which You can enjoy the 360 degree magnificent panorama view of the Prague Castle and Prague itself - right from the beautiful bed.

If You come to Prague, You should not miss the **Hard Rock Cafe**. This restaurant is unique even within its chain, as it is the biggest one in Europe. The Cafe takes 3 floors (1900 m2) in the breathtaking, historical "U Rotta" house, which can be found right next to the Old Town's Square.
